

# Diversity Dialogue

with Tobias L. Spears

Thursday,  
November 17  
12:00-1:00  
Room J-103

## Reinvigorating Your Allyship:

Allyship is a dynamic process in which one who has access to social privileges actively helps to build better worlds for those who lack those same advantages. Join us for a dialogue about allyship in this contemporary moment. Tobias will call on his experiences working with queer and trans people to help those in attendance think through the many ways to be productive allies.

**Tobias L. Spears is the Director of LGBTQ Student Life at the Center for Identity + Inclusion**
