Diversity Dialogue

"Climbing the Leadership Ladder: A Different Kind of Journey"

- Join the Office of Diversity and Inclusion for its brown bag lunchtime discussion: "Climbing the Leadership Ladder: A Different Kind of Journey" on Thursday, February 26, 2015 from 12- 1pm. Daryl Wilkerson, Vice President of Support Services at the University of Chicago Hospitals, will facilitate this month's discussion.
- This session will be an open dialogue regarding the challenges all people face on the leadership track. While the session will not focus exclusively on the unique challenges and stereotypes minorities and women face, it will offer practical tips and tactical strategies for these populations to advance in leadership. The session will emphasize the importance of goal setting, prioritization, and connecting with people at all levels of the organization. It will also coach participants to successfully adapt to change management and serve as change agents within the University of Chicago Medicine and Biological Sciences Division.
